

**FIVE STAR ELECTRIC**  
POWERED BY INNOVATION

# MOTOR CONTROL PANELS

ISO 9001 - UL 508A - UL 698A - UL1203 - NFPA 496

Since 1983, **Five Star Electric** has provided our customers with premium motor control products, superior technical support, advanced applications expertise, and reliable on-time shipments

MUNICIPAL - INDUSTRIAL - HVAC - OEM - COMMERCIAL - OIL & GAS - IRRIGATION

Five Star proudly designs and manufactures the finest UL Listed Motor Control Panels

Five Star Electric's core products include:

- ★ Standard & Custom Motor Control Panels
- ★ OEM Motor Control Panels
- ★ Low & Medium Voltage VFD's
- ★ Low & Medium Voltage VFD Bypass Systems
- ★ Low & Medium Voltage Reduced Voltage Solid State Starters
- ★ Automation – Programmable Logic Controllers & DCS Systems
- ★ Power Panels

Our Team is comprised of highly qualified and experienced engineers, designers, technicians and project managers who are dedicated to exceeding all our clients current and future needs. While Five Star offers an extensive line of standard and OEM products, our unparalleled ability to design and manufacture custom Motor Control Panels sets us apart.

### Five Star Certifications:

- ★ **ISO 9001** certified quality management system
- ★ **UL 508A** Industrial Control Panel Certified Facility (File No. E183049)
- ★ **UL 698A** intrinsically safe control panels for process control in extreme Hazardous Locations (File No. E465209)
- ★ **UL 1203** Explosion-Proof & Dust-Ignition-Proof Electrical Equipment for Hazardous Locations
- ★ **NFPA 496** Protection of electrical equipment in flammable atmospheres

### Control Panel Options:

- ★ Enclosures – NEMA 1, 12, 3R, 4, 4X & 7
- ★ Circuit Breakers, Fused Disconnects and Non Combination Units
- ★ VFD's, RVSS and ATL Starters
- ★ PLC/HMI design
- ★ Custom Control Logic
- ★ Pump Controls
- ★ Panel mounted controllers
